
Study Information

Neurology and related branches of medicine are taught at the CU 1st Medical Faculty Department of Neurology to students of the Medical Faculty and other Charles University faculties working for master's or bachelor's degrees.

Basic information on each of the subjects can be found on the Department's web pages as can be the schedule of teaching which is also displayed on the students' information table entry in the main building on the ground floor facing the lodge.

Instruction is coordinated by:

Prof. K. Šonka, M.D., DrSc

[Email ?](mailto:ksonka@lf1.cuni.cz)

Any changes in block instruction terms are subject to approval by:

Mr. Marek Nykl

[Email ?](mailto:mnykl@lf1.cuni.cz)
